Only Makes a Bad Matter Worse.

Perhaps you have never thought of it but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and the use of drastic cathartics like the old fashioned pills, only makes a bad matter worse. Chamberlain's stomach and liver tablets are much more mild and gentle in their effect, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25 cent bottle of them. For sale by all druggists.

Arizona at the World's Fair.

In the agricultural exhibits at the St. Louis exposition Arizona received gold medal for alfalfa and olive oil. The oil was subjected to the most severe tests; a Japanese expert tester was called to decide on points of strictest merit. In this department six silver medals and twenty-four bronze medals were awarded on various other exhibits. A gold prize was given Arizona for installation and presentation of her mineral exhibit, the installation being complete on the day of opening. A gold medal was given on copper displays, and six silver prizes were taken for asbestos, lithographic stone, onyx and other mineral exhibits. In the education department, silver medals were awarded for installation, and one each to the university, the two Normals, the Phoenix schools, the Tucson schools, the Indian school, and one to Mrs. Earnest Ford, the custodian, for efficiency. Awards will not be made in the horticultural department until after the close of the fair, owing to the daily replenishing of exhibits. Arizona stand high at the present time, and will doubtless take the grand prize over all for grape fruit, and will receive gold awards for oranges and lemons.
